Graduate Employment 2012 – 2013

9/29/2014 updated

Overview

The Office of Career Services collects employment information and post-graduation plans of graduates annually. Of the 430 2012-2013 graduates (including students who graduated in August 2012, December 2012 and May 2013), 381 submitted Graduation Information to the Office of Career Services. The Graduation Information is collected at graduation and the unemployed are followed-up at 3, 6 and 11 months post-graduation. Data collection for this report was completed in April 2014 at the 11th month after the May 2013 graduation. Below is information on the respondents' employment status, job sector, and salary.

Survey Response Rate for 2012-2013 Graduates (N=430)
