Careers & Networking

Career Tip: Professional Certifications

Beyond adding extra letters to your professional title, certifications provide many benefits to those who hold them. Credentials or certifications demonstrate knowledge and competency in meeting a national or international standard. While it takes time and funds to submit applications and maintain a certification or credential, holding one can increase your value – and potentially your paycheck – in the workplace. READ MORE

Rollins Launches New Mentoring Program

Give the next generation the advice you wish you’d had – Become a mentor with our NEW and IMPROVED online mentoring platform, MentorRollins. The program now offers those who join an opportunity to be both a mentor and a mentee. Why I Give to Rollins...

It’s simple. I give because I love our school! Attending Rollins changed my entire life. Even if I can only afford to donate what would otherwise be spent on coffee that month, then so be it. I’ve made the choice to give back to the place that gave me so much more.
