

OFFICE OF CAREER DEVELOPMENT
HUBERT DEPARTMENT OF GLOBAL HEALTH
GRADUATE REPORT 2016

EMORY

ROLLINS
SCHOOL OF
PUBLIC
HEALTH

✓ The Hubert Department of Global Health (GH) Class of 2016, with 103 graduates, includes those who graduated in August 2015, December 2015 and May 2016.

✓ The graduation information is collected at graduation and the unemployed receive follow-ups at 3, 6 and 11 months post-graduation until employment or continuing education is secured.

✓ The information in this report is self-reported survey data provided by the graduate.

✓ Data collection for this report was completed in April 2017, at the 11th month after the May 2016 graduation.

✓ Information collected includes employment sector, salary range, amount of time spent job searching and number of resumes sent.

Department	Total Graduates	Total Respondents	Response Rate
GH	103	102	99%

Graduate Degree Status

Department	MPH	MSPH	Grand Total
GH	103	0	103

Survey Respondents' Post-Graduation Employment Status

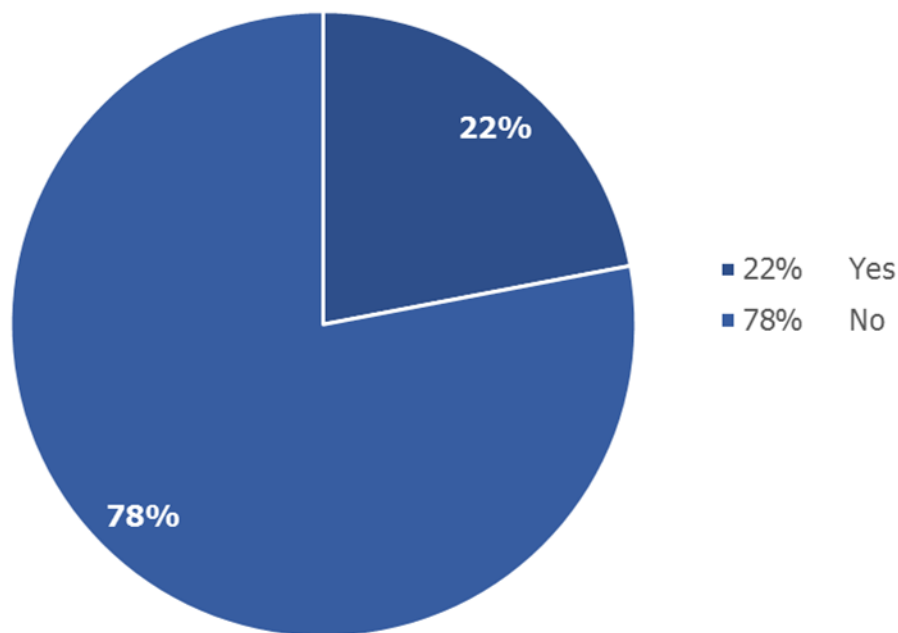

Of the 103 graduates from the Hubert Department of Global Health Department, 102 provided their post-graduation employment status through the completion of the Graduate Information Survey within the 11-month data collection period.*

Department	# of Graduates in Continuing Education	# of Graduates Not Seeking Work/ Continuing Education	# of Graduates Seeking Work	# of Graduates Employed Full-time/ Part-time	Did Not Respond to Survey (Unknown)	Total Graduates
Total	5	1	14	82	1	103
Rate	5%	1%	14%	80%	1%	100%

*The data captured in the table above is required by the Council on Education for Public Health (CEPH).

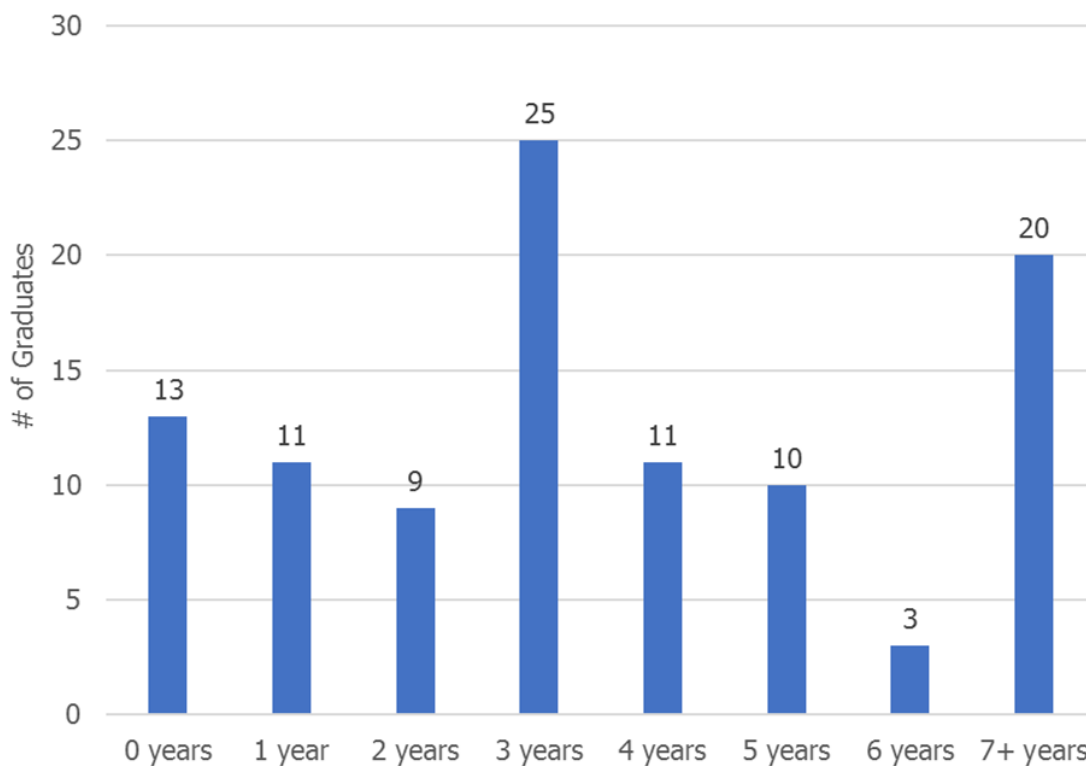

International Student Status (N = 103)

This chart indicates the percentage of international student graduates from the GH department with a MPH/MSPH degree.

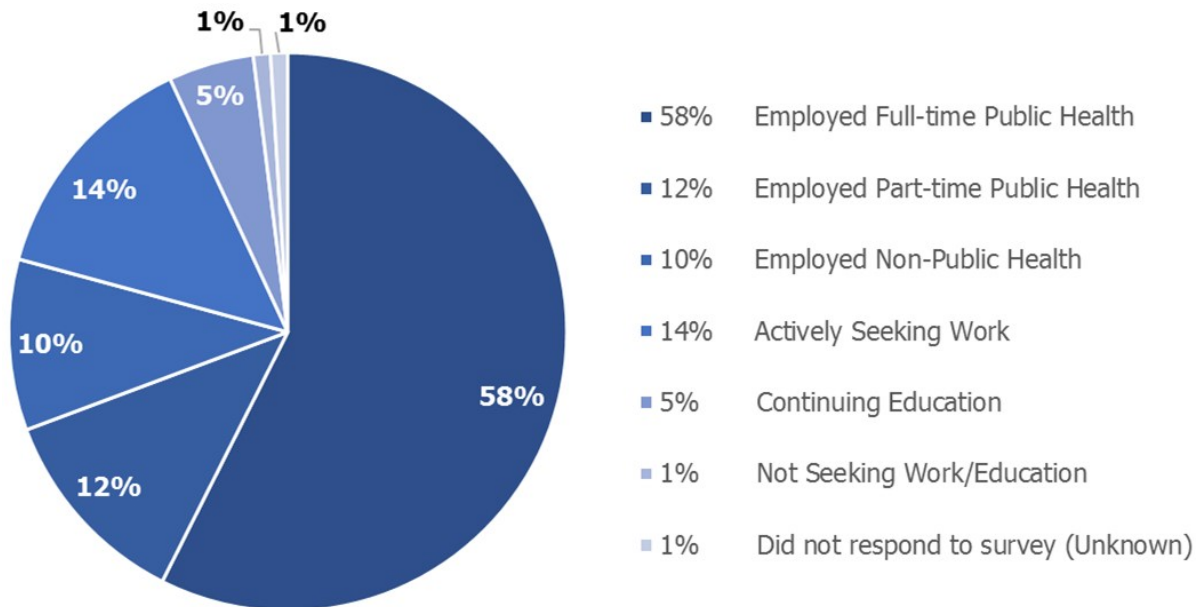

Years of Prior Work Experience (N = 102)

Upon enrolling in the MPH/MSPH program at the RSPH, 25% reported having 3 years of prior work (public health & non-public health) experience.

Employment Status (N = 103)

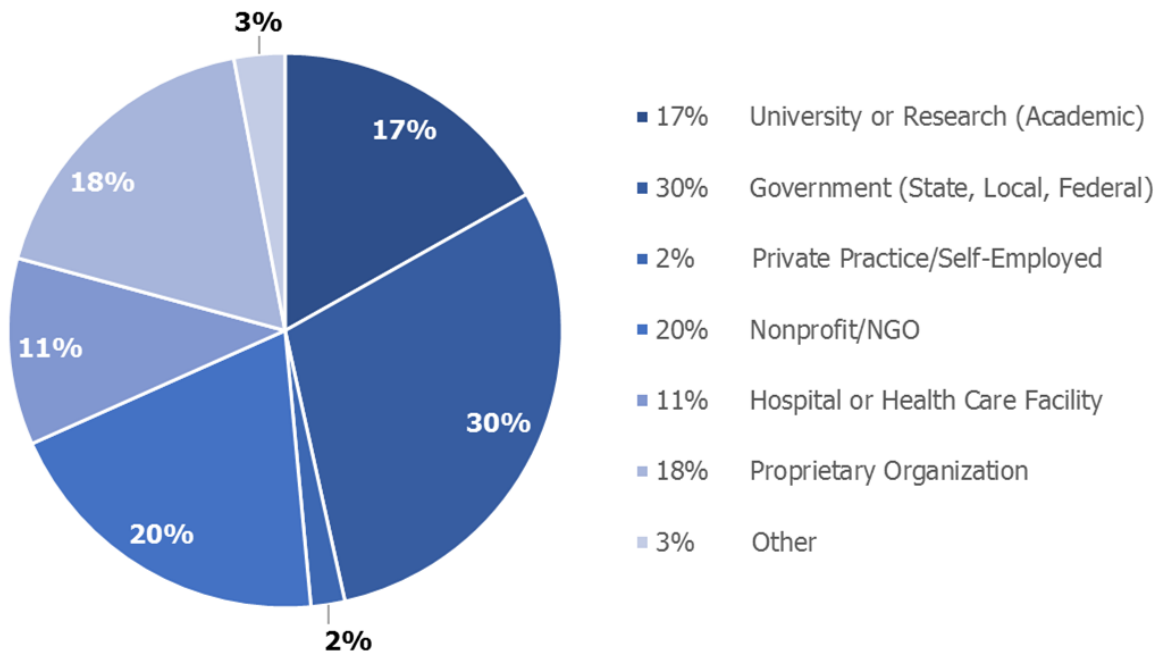

This chart indicates the employment status of the graduated class of 103 within 11-months post-graduation from the GH department.

The remainder of this report contains data from graduates reporting securing full-time/part-time employment. There were 82 graduates in the GH department reporting securing full-time/part-time employment. Information on employer, sector, title, location and annual starting salary range was provided by 66 of the 82.

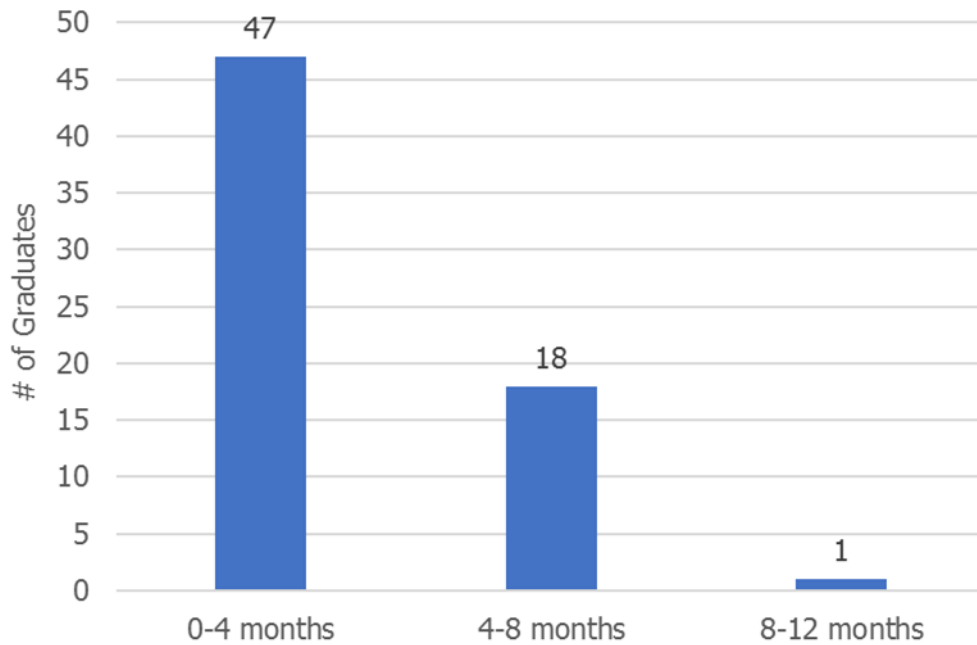

Employment by Sector (N = 66)

Of the 66 reporting graduates that secured employment within 11-months post-graduation, 30% reported being employed with the government (state, local, federal) agency.

Job Search Period (N = 66)

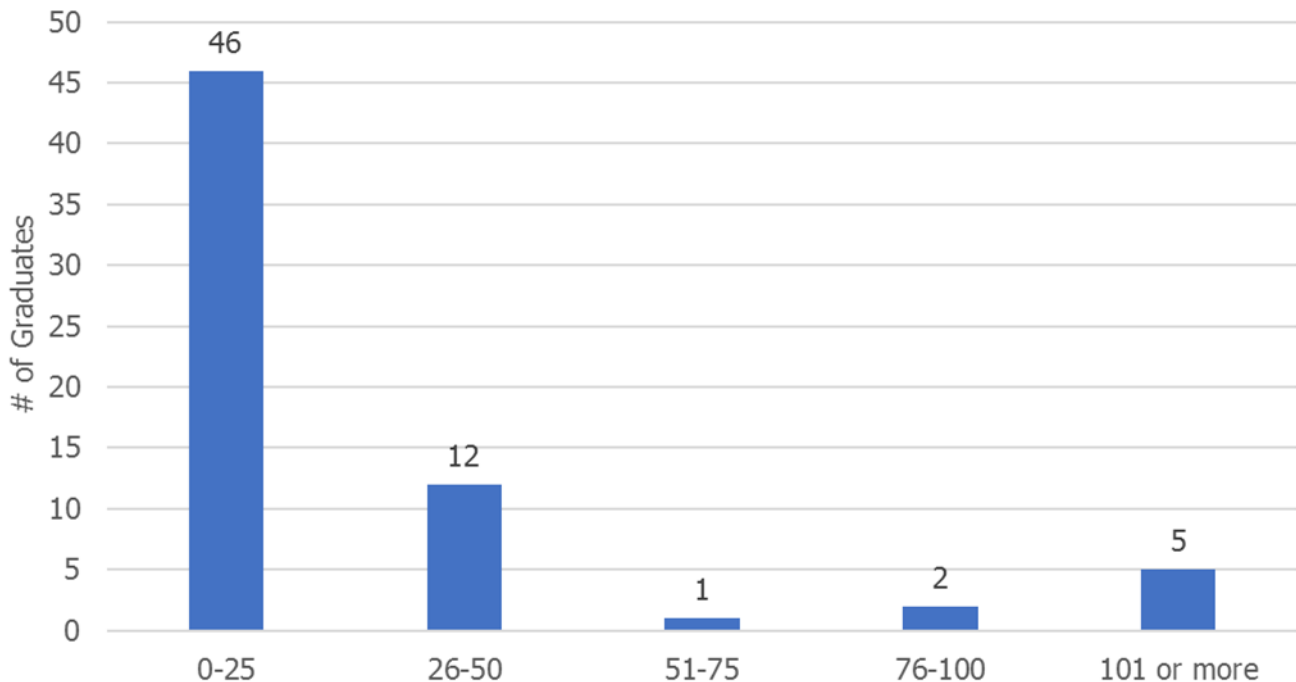

Within the first 4 months of starting the job search, 71% secured employment.*

*Many graduates begin seeking employment in the months prior to graduation.

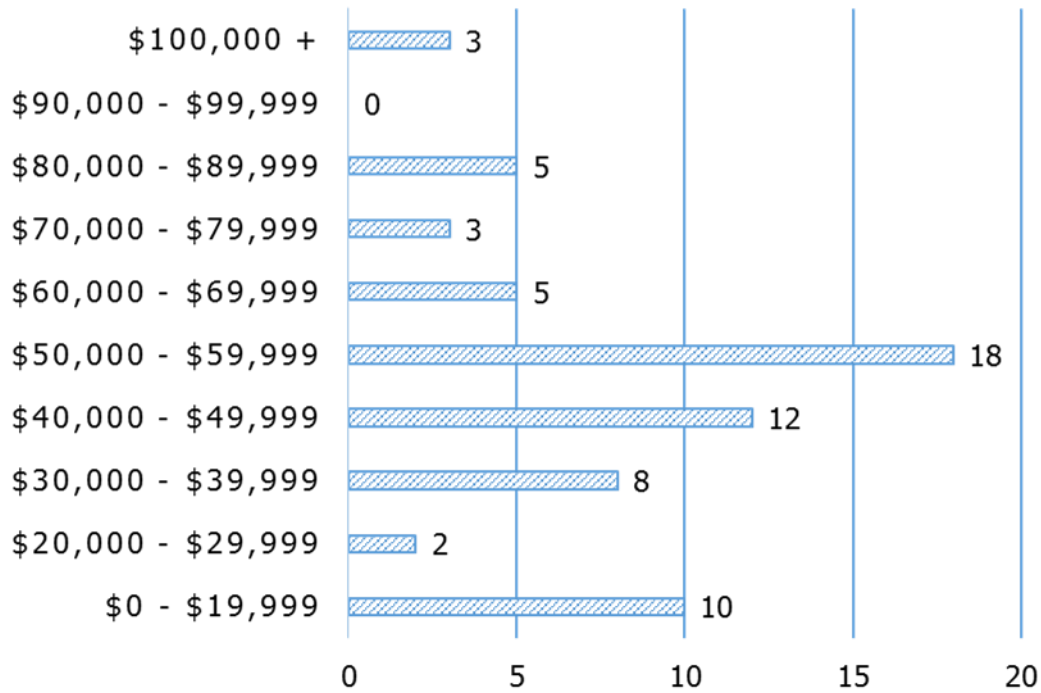

Number of Resumes Sent Out (N = 66)

During the job search period, 70% of graduates sent out no more than 25 resumes (average job search period is shown in the graph above).

Salary Range of Employed Graduates (N = 66)

The median starting annual salary range reported by GH graduates securing full-time/part-time employment is \$50,000—\$59,999.

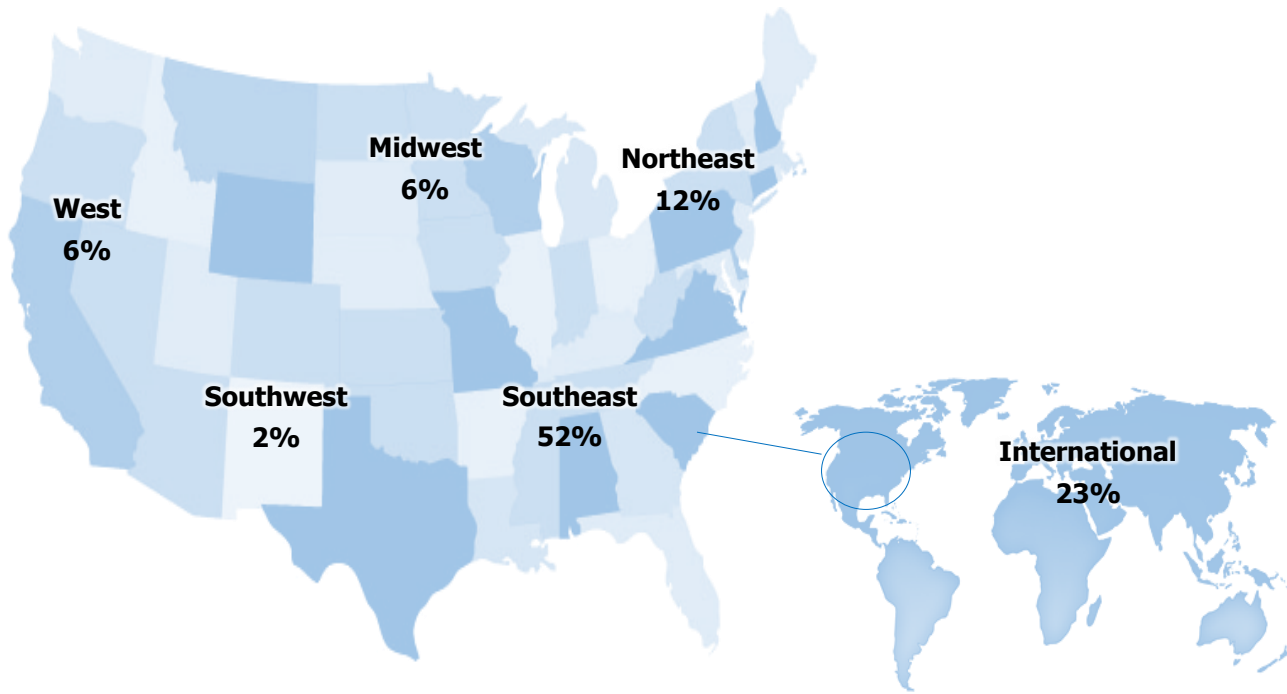

Median Salary Range by Employment Sector (N = 66)

Employment Sector	% of Employed Graduates	Median Salary Range
University or Research Institute (Academic)	17%	\$40,000—\$49,999
Government (State, Local, Federal)	30%	\$50,000—\$59,999
Hospital or Health Care Delivery Facility	11%	\$40,000—\$49,999
Nonprofit/NGO	20%	\$20,000—\$29,999
Proprietary Organization	18%	\$50,000—\$59,999
Private Practice/Self-Employed	2%	Not Available*
Other	3%	Not Available*

*There were not enough respondents to determine a median without compromising confidentiality.

Region of Employed Graduates (N = 66)

The region where the 66 graduates reported being employed in within 11-months post-graduation, along with percentage of employed graduates in the regions are represented below.

Region	% of Employed Graduates	% of Employed Graduates	Median Salary Range
International	15	23%	\$40,000—\$49,999
Midwest	4	6%	\$40,000—\$49,999
Northeast	8	12%	\$50,000—\$59,999
Southeast	34	52%	\$50,000—\$59,999
Southwest	1	2%	Not Available*
West	4	6%	\$50,000—\$59,999

*There were not enough respondents to determine a median without compromising confidentiality.
