Health Policy & Management Graduate Employment Report 2017

EMORY

ROLLINS
SCHOOL OF
PUBLIC
HEALTH

Department	Total Graduates	Total Respondents	Response Rate
HPM	92	91	99%

- ✓ The Health Policy & Management (HPM) Class of 2017, with 92 graduates, includes those who graduated in August 2016, December 2016 and May 2017.
- ✓ The graduation information is collected at graduation and the unemployed receive monthly follow-ups through the first-year post-graduation until employment or continuing education is secured.
- ✓ The information in this report is self-reported survey data provided by the graduate.
- ✓ Data collection for this report was completed in May 2018, at the 12th month after the May 2017 graduation.
- ✓ Information collected includes employment sector, salary range, amount of time spent job searching and number of resumes sent.

Graduate Degree Status

Department	MPH	MSPH	Grand Total
HPM	85	7	92

Survey Respondents' Post-Graduation Employment Status

Of the 92 graduates, 91 respondents from the Health Policy & Management Department provided their post-graduation employment status through the completion of the Graduate Information Survey within the 12-month data collection period.*

	# of Graduates in Continuing Education	# of Graduates Not Seeking Work/Continuing Education	# of Graduates Seeking Work	# of Graduates Employed Full-time/Part-time	Did Not Respond to Survey (Unknown)	Total Graduates
TOTAL	9	1	11	70	1	92
Rate of Respondents	10%	1%	12%	76%	1%	100%

* The data captured in the table above is required by the Council on Education for Public Health (CEPH).

International Student Status (N = 92)

This chart indicates the percentage of international student graduates from the HPM department with a MPH/MSPH degree.

Years of Prior Work Experience (N = 91)

Upon enrolling in the MPH/MSPH program at the RSPH, 30% of HPM graduates reported having 0 years of prior work (public health and non-public health) experience.

Employment Status (N = 92)

This chart indicates the employment status of the graduate class of 92 within 12 months post-graduation from the HPM department.

The remainder of this report contains data from graduates reporting securing full-time/part-time employment. There were 70 graduates reporting securing full-time/part-time employment. Information on employer, sector, title, location and annual starting salary range was provided by 58-60 of the 70.

Employment by Sector (N = 60)

Of the 60 reporting graduates that secured employment within 12-months post-graduation, 35% reported securing employment with a hospital or health care facility.

Job Search Period (N = 60)

Within the first 4 months of starting the job search, 68% secured employment.*

*Many graduates begin seeking employment in the months prior to graduation.

Number of Resumes Sent Out (N = 60)

During the job search period, 48% of graduates sent out no more than 25 resumes (average job search period is shown in the graph above).

Salary Range of Employed Graduates (N = 60)

The median starting annual salary range reported by HPM graduates securing full-time/part-time employment is \$50,000 - \$59,999.

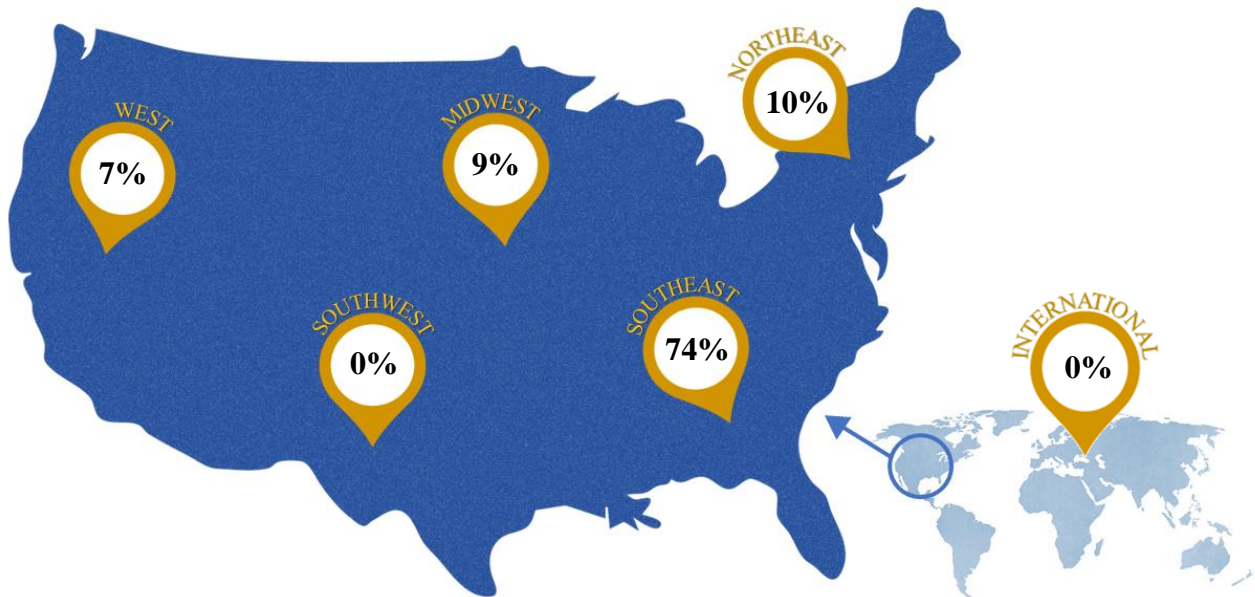

Median Salary Range by Employment Sector (N = 60)

Employment Sector	% of Employed Graduates	Median Salary Range
University or Research Institute (Academic)	7%	\$40,000 - \$49,999
Government (State, Local, Federal)	10%	\$50,000 - \$59,999
