

Applied Practice Experience (APE) Student & Field Supervisor Worksheet

The purpose of this worksheet is to assist students with discussing the APE requirement with their field supervisor after an APE opportunity has been identified.

- ✓ Send a request to your field supervisor to setup a meeting or call to review the APE requirements and discuss the organization goals and expectations for the project.
- ✓ Provide an electronic or hardcopy of the field supervisor handbook to your field supervisor (to locate a copy, visit: <https://www.sph.emory.edu/rollins-life/community-engaged-learning/practicum/index.html>).

APE Requirements

- Minimum of 200 hours total prior to graduation (Check timeline below for specific deadlines)
- Attainment of three (3) MPH/MSPH foundational competencies and two (2) concentration (department-related) competencies
- Project goals:
 - At least 3 SMART objectives
 - At least 1 strategy for each objective
- Completion of 2 deliverables (Please consult with your APE Advisor or ADAP for acceptable deliverables within your department)
- Documentation of the APE information in the APE Portal

At the meeting:

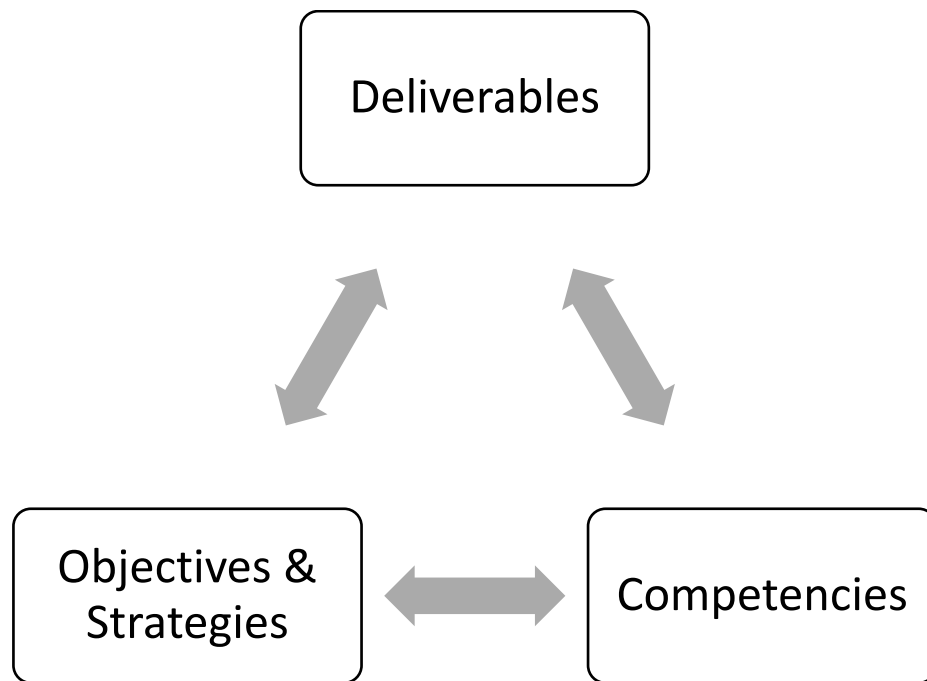

1. Discuss tasks and responsibilities related to the opportunity:

2. Review the APE requirements (shown above) with your field supervisor.

3. How is community engagement defined in this potential APE opportunity? How does this project address the needs of the community being impacted by the student's work/deliverables?

Definition: Community engagement is the process of working collaboratively with public health organizations and communities to address issues that affect the well-being of a community.

Understanding the Relationship between Objectives & Strategies, Competencies, and Deliverables

4. Draft SMART Objectives and Strategies

Objective 1	
	Strategy 1
	Strategy 2
	Strategy 3

Objective 2	
	Strategy 1
	Strategy 2
	Strategy 3
Objective 3	
	Strategy 1
	Strategy 2
	Strategy 3

Is the objective SMART?

- Specific: Who? (The target population and people doing the activity) and what? (The action or activity).
- Measurable: How much change is expected?
- Achievable: Can objectives be accomplished given current resources and constraints?
- Realistic: Does the objective address the scope of the health program? Does it propose reasonable programmatic steps?
- Time-phased: What is the timeline indicating when the objectives will be met?
- Does it relate to a single result?
- Is it written clearly?
