Welcome

The Rollins School of Public Health Partner Appreciation Celebration honors our alumni, community partners and volunteers who have contributed their time, wisdom and knowledge to the success of the Rollins School of Public Health. Your contributions, including, but not limited to

- mentoring,
- serving on the alumni board,
- participating on the community advisory board (CAB),
- mock interview night and week,
- leading workshops and info sessions,
- serving on panels,
- hiring REAL student employees,

are an invaluable asset to the RSPH community. We thank you for your dedication and hard work.

We look forward to continued partnerships and expanding resources to better serve the RSPH community.

Thank You!
