Required credits: 42 total for the MPH - 33 from RSPH classes plus 9 credits from the college that will count toward RSPH electives. The EH ADAP must register BS/MPH students for classes. Email your course selections during the open registration period prior to each semester; include your student ID# and the class and course numbers in each message.

Additional Electives:

<table>
<thead>
<tr>
<th>Course #</th>
<th>Title</th>
<th>Credit</th>
<th>Semester Taken</th>
</tr>
</thead>
</table>

- CITI Training Certificate (via IRB website: http://www.irb.emory.edu/)
- Practicum Web Client
- Check on the Enrollment Services webpage for course schedules and permissions: http://www.sph.emory.edu/studentservice/enrollment_services.php
- Check the course catalog for pre-requisite requirements. If a course is permission only, contact the course department’s ADAP or instructor for permission, then email the permission to the EH ADAP to register you.
- By final semester, complete all items on the EH Graduation Checklist and the checklist in Clifton Notes.
**SUGGESTED SEQUENCE**

<table>

</thead>
<tbody>
<tr>
<td><strong>Junior Yr (Spring 3)</strong></td>
<td>BSHE, HPM, or GH 500</td>
<td>Required Core</td>
</tr>
</tbody>
</table>

**Senior Yr (Fall 4)**

- Any of the following; BIOS 500 recommended prior to or concurrently with EPI 530.
- EH 520 | Human Toxicology | 3 |
- EH 540 | Environmental Hazards I | 2 |
- BIOS 500 | Statistical Methods I w/lab | 4 |
- EPI 530 | Epidemiologic Methods I w/lab (or in fall 5) | 4 |

**Semester Total:** 11

**Semester Total:** 9+

*Recommended (not required)

**Must have data to bring to the class
BS/MPH TIPS/REMINDERS:

- **Curriculum:**
  - Take BIOS 500 either prior to or concurrently with EPI 530
  - Take EH 570, Envt. & Occ. Health Policy in spring senior year if planning on doing a thesis to free up final spring.
  - Maintain 3.25 GPA to remain in the program
- Attend RSPH events, seminars, etc.
- Attend BS/MPH department sessions and advising meetings
- Schedule advising appointments with EH ADAP prior to each semester’s registration.
  - EH ADAP must register you for RSPH courses each semester. Email your preferred schedule with course numbers and class numbers prior to registration each semester.
- Meet with EH Faculty Advisor regularly to discuss courses, interests, networking, goals, needs, and provide feedback about the program
- RSPH and the College may start classes on different days or have other variations. Always check the registrar calendars for semester start-dates and schedules (http://www.sph.emory.edu/rollins-life/enrollment-services/index.html), as well as your weekly schedule view in OPUS.
- In January of senior year, submit official RSPH application. This is not through the normal route (SOPHAS), but via special webpage/instructions sent directly by ADAP.
  - To be considered for Merit scholarships, the following are also required:
    - the GRE is required; official scores must be submitted to Rollins by the January (senior year) application deadline.
    - updated personal statement and resume outlining new involvement/interests/goals for the program
  - Submit official transcripts for all undergraduate schools attended, including Emory. Final Emory transcripts will have to be submitted again to RSPH Admissions after graduation.
- **Orientation:**
  - Attend BS/MPH orientation when accepted into the program (coordinated by EH and ENVS)
  - Students are required to participate in RSPH new student orientation activities in August before their senior year. EH ADAP will forward the schedule to you in the summer.
- Be aware that your email will transition from Emory College to the RSPH system. If you feel messages are not reaching you, notify the EH ADAP.
- EH ADAP will request that you are added to the RSPH Career Services Rollins Opportunities Network (ROL).
- When entering in year 5, ADAP will notify student services to adjust your graduation term to ensure you receive emails regarding graduation.
- Students follow guidelines and policies of both schools, but when they differ, the policies for the student’s “home” school where they are currently matriculated take precedence.
- BS-MPH students are considered dual degree, and are billed the RSPH dual degree tuition rate in year 5.
