Dear Second Year Students,

Congratulations on your impending graduation from the Rollins School of Public Health! I will be sending you a monthly email with updates regarding both the Emory University Commencement Exercises and the Rollins School of Public Health Diploma Ceremony.

**Commencement Ceremonies**
There are two Commencement ceremonies that students may attend on Monday, May 13th. The Emory University Commencement exercises, which takes place in the morning on the main quad, includes all of the traditions of Emory University and includes all schools from Emory. The RSPH Diploma Ceremony will take place on Monday, May 13th at 3:30PM in the Woodruff Physical Education Center (WPEC). Please note that you will not be receiving your diploma on the day of Commencement, as your diploma will be mailed to you.

The RSPH Diploma Ceremony website has been launched and can be found by clicking here.

The Emory Commencement website can be found here.

Please note that both websites are still being updated, so check back frequently.

**Requirements for Graduation**

Graduation applications for Spring 2019 graduates are due Friday, February 8, 2019.

- Students submitting degree applications after the February 8th deadline must complete this form and pay the $25.00 late fee to the Student Financial Services Office - 101 Boisfeuillet Jones Center (B Jones Building). Proof of $25.00 late fee payment (receipt) and the paper degree application must be submitted to the Enrollment Services Office in the School of Public Health.

**Regalia (Cap and Gown)**
Grad Fair will occur on Wednesday, February 20th from 10:00 AM - 6:00 PM at the Barnes and Noble at Emory University. Graduates may wish to buy their regalia, diploma frames, class rings, and custom graduation announcements at this event.

If you cannot attend Grad Fair, you may purchase regalia online here between Friday, February 8th and Thursday, March 7th. You may pick up your regalia at the Barnes and Noble at Emory University, or you may have it shipped to you.

Regalia from the Barnes and Noble at Emory University must be purchased by Wednesday, March 20th. All Emory student regalia is custom-made and the vendor requires time to produce the regalia. The Bookstore does carry and continue to sell student regalia up until graduation,
though students should not wait to purchase their attire. Sizes will become limited and even unavailable as Commencement approaches if not ordered in time.

Please let me know if you have any further questions!

Sincerely,

Joanne
